Remarks

Refurbished and refreshed throughout residential or commercial rental right here on Main st next to route 78 in Hellertown and right next to Vassi's drive in, a wonderful landmark business in the Hellertown area. The parking space is shared with Vassi's drive in and the property is a solid brick detached traditional building. The property can be rented for a variety of uses, like a professional service, accounting, office, gift shop, beauty salon, medical service, retail. Lots of updating was completed recently. Everything is brand new and new appliances will be installed. This is a wonderful opportunity for the savvy business person that knows the value of a great location and a staggering marketing exposure to be the most essential part in the success of any business.
